<ul style="list-style-type: none">○ Assisted in Java development projects, gaining hands-on experience in Spring framework and Hibernate ORM.○ Contributed to the implementation of critical functionalities for various software solutions, showcasing adaptability and problem-solving skills.		

EDUCATION

• BTech. Computer Science and Engineering Integral University Grade: 8.85	• 12th Intermediate Bright Way Inter College Lucknow Percentage: 86%
	• 10th High School Bright Way Inter College Lucknow CGPA: 8.6 / 10.0

TECH STACK

• Languages: Java, JavaScript	• Database: Oracle SQL, Firebase
• Technologies: Spring, Hibernate, React, Git	• Extras: HTML & CSS, jQuery

TECHNICAL SKILLS

• Proficient in Java, with hands-on experience in Object-Oriented coding.
• Strong analytical skills with a systematic and structured approach to software design.
• Experience with Agile and iterative development processes.
• Knowledge of distributed computing principles and algorithm optimization techniques.

PROJECTS

• Smart Face Monitor Face Recognition Attendance System Developed a Python-based system for facial recognition attendance tracking using OpenCV.	University Major
• Kuber Group Online Messaging Platform Led the development of a messaging platform using React, React Native, and Firebase, emphasizing real-time communication and scalability.	University Minor
• Alone Media Social Media Website Led the development of a social media website using PHP, JavaScript, and MySQL, focusing on user engagement and content sharing.	Personal
• Codehare Website for storing and sharing Code Snippets, Notes etc. Led the development of a web platform for storing and sharing code snippets, notes, etc., using PHP, JavaScript, and MySQL	Personal
• Whiteboard For Drawing/Writing purpose Developed an online whiteboard application using HTML, CSS, and JavaScript for collaborative drawing and writing	Personal

ADDITIONAL INFORMATION

- Strong interpersonal skills with the ability to communicate technical details clearly.
- Demonstrated commitment to continuous learning and personal development.
- Proven track record of collaborating effectively in cross-functional teams to deliver high-impact solutions.
- Passionate about creating a diverse and inclusive culture where all voices are heard and valued.
