Tech Used: HTML & CSS, JavaScript | Personal |

CERTIFICATIONS

- | | |
|------------------------------------|---|
| • Coursera Google Data Analytics | • Integral University Python: Project Development |
| • HackerRank JavaScript (Basic) | • Innovitt Global Java Summer Training |

ABOUT

As a Software Engineer at Nucleus Software Exports Limited, I bring a solid foundation in technology, having graduated with honors from Integral University, Lucknow, with a BTech degree. In my current role, I have honed my skills in Spring, Hibernate, and JAVA, while also gaining hands-on experience with JavaScript, HTML, CSS, and React. Proficient in database technologies such as MySQL and Firebase, I adeptly utilize Git/GitHub for version control. My commitment to continuous learning is evident through my proactive pursuit of new languages and technologies. I am engaged in personal projects and consistently participate in training and certification programs to stay at the forefront of the ever-evolving tech landscape.
